

**One week long, from 23 to 30 November 2007, 31 coaches from 14 nations met for the 11th ISSF Academy C Coaches course which was conducted in Kuortane, Finland.**

During the weeks time the basic course C, one of three levels, was held. Here the participants had the possibility to gain insight and knowledge in one of the Olympic shooting sport disciplines as well as other coaching related subjects such as nutrition, physical education, and psychology and sports management. Conclusion found the course in the written examination and in the homework presentation which each had to submit as prerequisite of the course as well as qualify through a final evaluation consisting of the subjects taught and the homework. All participants who successfully completed the course received the ISSF "C" Coaches license, again prerequisite for the next level of the Academy.
